PROFESSIONAL EXPERIENCE

Client & Marketing Coordinator

BrandSavor | 2025 - present

- Own client-facing marketing workflows from onboarding through deliverables, coordinating timelines, stakeholders and materials to keep projects moving from scope to execution.
- Develop new business proposals and marketing/communications decks, including brand identity, messaging frameworks, media strategies, media lists and pitches for clients within the higher education, non-profit, government, tech and AI industries.
- Coordinate cross-functional communication, resolve workflow issues and keep multiple client engagements on track.

Event Coordinator

SIGNAL at Cannes Lions | 2025 - present

- Manage end-to-end event logistics, including speaker coordination, programming schedules, vendor and production alignment, on-site execution and cross-functional collaboration to deliver a high-touch, thoughtfully produced experience at **Cannes Lions Festival of Creativity**.
- Keep stakeholders aligned and resolve issues quickly in a high-visibility, fast-changing environment.

Marketing Operations Assistant

Disruptive Advertising | 2025

- Managed communication across clients, management and internal teams for 12 accounts, balancing multiple priorities and deadlines, utilizing project management tools such as Asana, Notion and Monday.
- Analyzed Shopify e-commerce data, funnel performance and campaign trends to develop strategic recommendations and identify optimization opportunities.
- Built performance reports and marketing playbooks using Google Sheets, Meta/Google Ads data and Looker Studio to guide marketing decisions.
- Monitored KPIs, created creative performance reports and supported website/product-page optimization.

Executive & Marketing Assistant

Cosmic Design Studio | 2023 - 2025

- Managed marketing operations for a luxury design-build firm, combining social media, SEO, content strategy, email marketing and day-to-day coordination.
- Executed social media campaigns and content initiatives, contributed to creative direction and tracked performance to generate actionable reports and insights.
- Coordinated client communications, scheduling and operational tasks across concurrent priorities.

Client Experience Assistant

Teleperformance | 2019 - 2023

- Supported case resolution, escalations and quality processes in a high-volume client-facing environment, collaborating with Quality Assurance to maintain service standards.
- Built strong experience handling time-sensitive and sensitive client situations with professionalism, clear communication and sound judgment.
